

Frances Fleet – What to Bring

- A blanket/sleeping bag and pillow for your bunk.
- Appropriate clothing and extra sets in case they get dirty or wet.
- Rain gear and short rubber boots.
- Personal needs including toiletries and medications.
- Sunblock!
- Sunglasses.
- Soft luggage.
- 60/80 Qt cooler for your catch.
- Camera and/or film.
- You may bring seasickness medication with you BUT you must start taking it at least 1 hour prior to sailing to be effective. You may then bring it along and take as directed during the trip.
- You may bring your own food and beverages or you may purchase items in the galley. Beer will be sold at a moderate price for moderate consumption.
- You may bring alcohol on board, but in small quantities and in cans only. (Some trips it is restricted entirely, please inquire prior to trip)

Frances Fleet – What not to Bring or do

- Illegal drugs are strictly forbidden and if discovered will be reported directly to the United States Coast Guard.
- Please do not bring any large metal coolers or trash cans. These types of items do a tremendous amount of damage to the boat. Any cooler or box that does not fit under a bench on the main deck must be put on the upper deck.
- No food is allowed down below in the sleeping quarters.
- Smoking is strictly forbidden anywhere except outside/exterior of the boat.
- You may not filet your own fish aboard the vessels. The crew will be happy to do this for a very nominal fee.
- NO HANDHELD NAVIGATION EQUIPMENT will be allowed aboard the vessel. If someone is found using one it will be confiscated.
- You may NOT sell your catch at the dock. It is a violation of state and federal law to sell fish from a passenger vessel.
